That's good news – thanks.

Michelle, is Alex going to be on the Wednesday call?

Good afternoon,

Here are the latest test results from Fulcrum from the testing in April. These complete all air testing samples for SVEC.

Devlin,

Attached are the second and third air sampling analytical reports for the sampling completed on April 11th and 12th at Sky Valley Educational Center. All air samples reported as no PCBs detected at the method reporting limits.

Please let me know if you have any questions. We will plan to have the report prepared and delivered to you next week.

Thank you,

Ryan
